

SUPER LUBE® WINCH GREASE

Super Lube® Winch Grease is a patented synthetic NLGI grade 2 heavy-duty, multipurpose lubricant with Syncon (PTFE). Synthetic base fluids and the addition of PTFE micro powders combine to form a premium lubricant providing longer life protection against friction, wear, rust and corrosion. Machinery lasts longer, downtime is reduced, and productivity is increased.

Super Lube® Winch Grease is a USDA listed Food Grade lubricant, rated H-1 for incidental food contact.

Super Lube® Winch Grease will not run or drip, does not evaporate or form gummy deposits and will not dry out, melt or separate.

Super Lube® Winch Grease is a synthetic, heavy-duty lubricant that is compatible with most other lubricants.

Super Lube® Winch Grease outlasts conventional greases 50-100% and has excellent adhesion.

Super Lube® Winch Grease

Typical Applications

- ▶ Winches and Pulleys
- ▶ Trailer and buddy bearings
- ▶ Inboard/Outboard Drives
- ▶ Winterizing
- ▶ Dielectric Grease
- ▶ Prop Shafts/Trim Tabs
- ▶ Corrosion Blocking

Benefits:

- ▶ Low coefficient of friction
- ▶ Impervious to salt & fresh water
- ▶ Non-Toxic – Non Corrosive
- ▶ All temperature use -40°F to +450°F

Part No.	Description
21037	3oz Tube
